Continuation of 11. does NOT place the application in condition for allowance because: In response to applicants' argument that Micall is not properly combinable with Saito because of the distinctions between Public Key Infrastructure and Simple Public Key Infrastructure the examiner respectfully points out that the applicants' argument relies heavily on information from Wikipedia. The examiner now points out that Wikipedia has been removed from the U.S. Patent and Trademark Office's list of accepted sources of information and therefore arguments based on information from Wikipedia are not persuasive.
